

Theology and Religious Studies at Cambridge

An interdisciplinary degree with diverse career options

Relevant and rigorous

This critical, thought-provoking degree is **top of *The Guardian* and *The Times* 2014 university guides** for Theology and Religious Studies. Use the outstanding resources in Cambridge to respond to key historic and contemporary religious questions concerning societies across the globe.

Choice and flexibility

Sample the full range of teaching from our world-class specialists or focus on particular themes such as Philosophy of Religion, Ethics, Religious Traditions of India, Biblical Studies, Islamic Studies, Jewish Studies, or the History of Christianity. Enjoy the benefits of the supervision system which gives you the opportunity to make rapid progress by spending dedicated time with an expert.

Exceptional prospects

Develop a spectrum of transferable skills from across the arts and humanities that are highly valued by employers. Our graduates are particularly employable and enter a strikingly broad range of careers including business, public sector, law, charities, the arts, social work, religion and teaching.
